9 SEPTEMBER 2024

To the South Mills Church of Christ Family & Friends,

Greetings in the Name of our Lord and Savior, Jesus Christ.

Grandparents Day! Wow! It was a great day! Seeing grandkids hanging with their grandparents, very nice memories. As part of the service, we shared the various names used for those who are grandparents. Some were what you expected. Some were different. All expressed love. The message was taken from Psalm 78:1-7. It was appropriate for Grandparents Day.

*What do you call more space aliens than you were expecting?
Extra Terrestrials!*

On the 6th, the home school group used our building for the first time. Roy McLeod was on site to assist. He says all went well.

The WEDS Adult Bible Studies went well. The Thessalonians had it rough, but they persevered. Their faith remained strong in spite of intense opposition.

The Tuesday Women's Bible Study's launch was delayed. It starts this week (10th). This study offers a time for growth in the Word and a strengthening of one's faith. It is an opportunity for bonding with fellow workers in the Kingdom.

The TEEN Ministry had lunch and then went on an outing to the outer banks. Sounded like they had a great time.

On a table in the Foyer is a large card for all to leave a message and to sign. We will be giving honor on the 29th to a man and his wife. They have been faithful servants for over 3 decades. Take a moment and write a few words.

The Senior Citizen's Lunch is happening this Sunday (15th). Been postponed twice. Gonna happen this Lord's Day!

See the standing bulletin board in the Foyer for upcoming events. See how you can support each.

We had a visitor on Sunday, she was from Bulgaria. Wow! Isn't it great to see how a small congregation is being used by the Lord to minister to someone so far away from their home country! She seemed pleased to have been able to be with us, even though the style of worship was so much different than what she encounters back in her country.

An impasta!*

Well, it appears all the kids are back doing schoolwork. Some are homeschooled. Some are in public schools. Some are in private schools. A variety for sure, but all are learning and maturing.

You are appreciated! So many are involved with: Lawn Maintenance. Sunday School. Children's Worship. Nursery. Deacons. Elders. Teachers. Cleaning Ministry. Building Maintenance. Communion Prep. Singers. Communion Serving. Musicians. Homebound & Adult Care Facility Visitation. Office Support. Ladies' Fellowship. Youth Sponsors. Meal Prep. Sound Tech. Video Tech. Security. Website. YouTube. Greeter. Prayer Warriors. Letter Writing. Sending Cards. And I know the list can go on, but my mind is not what it used to be. WE ARE A TEAM! Each fellow worker makes the team special, better. Each doing what they can helps with mission accomplishment ("Making Disciples for the Master"). Keep seeking to use your God-gifted talents to serve in anyway you can. Keep giving the glory to our Lord God.

Alright, that's a wrap. Have a great day!

His servant, and yours,

Ron Stuart
