Thoughts to ponder:

What do you think about the practice of giving to the Lord's work on a regular basis?

Why should churches in one part of the land give to help the Lord's people in another part of the land?

What do these verses tell you about making sure that a collection is properly taken and safeguarded?

According to these verses, what is a proper giving amount?

Which day is the "First Day of the Week?"

Got questions about the lesson, let me know.
