

QUICK LESSON FOR THOSE ON THE GO

(For this lesson, if possible, use the 1984 New International Version)

Lesson is from Matthew 8:23-27

(v.23) Who got into the boat? Who got into the boat with Him?

(v.24) Without warning, what came up on the lake? What did the waves do?

(v.24) While all this was happening, what was Jesus doing?

(v.25) Who woke Jesus? What did they want Jesus to do for them? They were afraid that they were going to do what?

(v.26) He said they had little what? He asked why were they so what?

(v.26) Jesus got up and did what? What happened when He did this?

(v.27) The men were what? They then asked what question?

(v.27) What did they say that the winds and waves had done?

Thoughts to ponder:

What about this account amazes you?

How could Jesus continue to sleep during such a furious storm?

How important is faith?

Is Jesus aware of our battles, the challenges we face daily?

How powerful is our Lord?

Got questions about the lesson, let me know.
